SUBJECT TO THE ATTACHED GENERAL PROVISIONS

General Provisions

- 1. **DEFINITIONS.** As used herein, (i) "Contractor" shall mean Lakeside Industries, Inc. or any division thereof; (ii) "Contracting Party" shall mean the person or entity purchasing materials and/or services as set forth on the front page hereof and pursuant to these General Provisions; and (iii) "Agreement" shall mean the contract formed between Contractor and Contracting Party by Contracting Party's acceptance of those terms and conditions set forth on the front page hereof and these General Provisions and/or materials and/or services provided to Contracting Party by Contractor.
- 2. ACCEPTANCE. Unless Contracting Party has signed and returned this Agreement to Contractor within thirty (30) calendar days of the date first stated on the front page hereof, Contractor's proposal shall be null and void. Contractor hereby objects to any conflicting, additional and/or different terms contained in any proposal or other writing issued by Contracting Party for purposes of accepting the proposal set forth herein and the same shall not become a part of this Agreement unless agreed upon in writing by Contractor and Contracting Party.
- 3. COST ESCALATION FOR ASPHALT. Contractor's proposal herein is based upon local vendor posted prices for liquid asphalt as of the date of Contractor's proposal. In the event the actual prices exceed such posted prices, the Contract Price shall be equitably adjusted by change order to reflect such increase. Contractor reserves the right to terminate this Agreement if an equitable adjustment cannot be agreed upon by Contracting Party and Contractor. Payment for any such adjustment shall be made in accordance with the terms and conditions of this Agreement.
- 4. CREDIT VERIFICATION. This Agreement is subject to Contractor's verification of Contracting Party's credit and Contractor's determination that such credit is adequate or satisfactory to Contractor. Contractor reserves the right to withdraw its proposal should Contractor reasonably determine that such credit verification is unsatisfactory or inadequate.
- 5. TERMS OF PAYMENT. Unless otherwise provided for herein, payment shall be due to Contractor within ten (10) days of the date of any invoice issued by Contractor to Contracting Party. Interest shall accrue on all overdue invoices at the rate of 1-1/2% per month (18.00% per annum) or the highest rate allowed by law.
- 6. SCHEDULE. This Agreement is subject to Contractor's review and approval of Contracting Party's schedule. Contracting Party shall coordinate other contractors' and subcontractors' work to prevent any delay or interference with Contractor's work.
- 7. CHANGES. Contracting Party, without invalidating the Agreement, may order changes in the scope of the work provided for by this Agreement, with the cost of the work and the time to complete such work being adjusted accordingly. Such changes in the work shall be authorized only by written change order signed by Contracting Party and Contractor.
- 8. PROPERTY LINES. Contracting Party warrants that Contracting Party knows the actual location of all legal property lines and that Contracting Party, prior to commencement of work hereunder, shall place stakes clearly indicating such property lines.
- PERMITS. Any permits that must be secured prior to commencement of the work hereunder shall be secured and paid for by Contracting Party.
- 10. DELAYS. If Contractor is delayed at any time in the commencement or progress of the work by any act or neglect of Contracting Party, or by any employee or agent of Contracting Party, or by any separate contractor employed by Contracting Party, or by changes ordered in the work by Contracting Party, or by labor disputes, fire, abnormal adverse weather conditions, force majeure, unusual delay in transportation, fuel, material, or labor shortages or unavailability, action or inaction of public authorities not arising out of the fault of Contractor, casualties or any other causes beyond Contractor's reasonable control, then the Contract Time shall be extended by change order for a period of time reasonably necessary to alleviate the effect of such events on Contractor. Delays beyond Contractor's reasonable control shall be compensable to Contractor and such equitable adjustment of the Contract Price shall be made by change order. Contractor reserves the right to terminate this Agreement if an equitable adjustment cannot be agreed upon by Contracting Party and Contractor. Payment for any such adjustment shall be made in accordance with the terms and conditions of this Agreement.
- 11. HAZARDOUS SUBSTANCES. Contracting Party agrees to indemnify, defend and hold harmless Contractor and its employees and subcontractors from liability related to the existence of hazardous substances at the project site, unless such liability results directly from hazardous substances brought on to the project site by Contractor or its subcontractors or arises out of the negligence or wrongful act of Contractor or its subcontractors. If Contractor encounters a substance on the project site which Contractor believes is a

- hazardous substance, Contractor shall immediately notify Contracting Party and shall cease work in whole or in part and any delays (and costs arising therefrom) shall be Contracting Party's responsibility.
- 12. TERMINATION FOR CAUSE. Contractor has the right to terminate this Agreement if Contracting Party fails to comply with any of the other provisions herein; provided, further, Contractor may terminate this Agreement in the event of the happening of any of the following: (a) insolvency of Contracting Party or Contractor; (b) any act of bankruptcy by Contracting Party under any provision of the Federal Bankruptcy Act or filing by Contracting Party of a voluntary petition under any law providing for relief from the claims of creditors; (c) the filing of an involuntary petition to have Contracting Party adjudicated as bankrupt under the Federal Bankruptcy Act or for reorganization of Contracting Party under that Act or under any law providing for relief from the claims of creditors which is not vacated within thirty (30) days from the date of such filling; (d) the appointment of a receiver or trustee for Contracting Party or Contractor which is not vacated within thirty (30) days from the date of such appointment; (e) the execution by Contracting Party or Contractor of an assignment for the benefit of creditors; or (f) any other event occurring which under the applicable law would entitle Contractor to cancel and terminate this Agreement. Such termination shall not prejudice any claims that either party may have against the other.
- 13. INDEMNITY. To the fullest extent permitted by law, Contractor shall indemnify and hold harmless Contracting Party from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the work hereunder, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property, including loss of use resulting therefrom, but only to the extent caused by negligent acts or omissions of Contractor, a subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable. Contracting Party shall indemnify and hold harmless Contractor from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, to the extent caused by negligent acts or omissions of Contracting Party, or anyone directly or indirectly employed by it or anyone for whose acts it may be liable.
- 14. WARRANTIES. Contractor warrants and guarantees all work and/or materials provided under this Agreement shall be of good quality and workmanship, free from faults and defects and in conformance with this Agreement. Contractor further agrees to make good, at its own expense, any defect in materials or workmanship which may appear within one (1) year of Contractor's substantial completion of its work hereunder. Except as otherwise provided herein, Contractor makes no warranties or representations of any kind, express or implied (including no warranty of merchantability or fitness for a particular purpose) and none shall be implied by law. Contracting Party agrees that oral agreements, statements and representations made by Contractor, its employees or its agents shall not constitute a warranty of any kind.
- 15. TIME LIMITATION ON CLAIMS. Any action arising out of Contracting Party's purchase of materials or Contractor's provision of services to Contracting Party, including any action arising under this Agreement, must be commenced within one (1) year after substantial completion of Contractor's work hereunder, and no such action may be maintained which is not commenced within such one-year period.
- 16. LIMITATION OF LIABILITY. Contractor's sole liability and Contracting Party's sole and exclusive remedy for any and all damages, special, direct, incidental or consequential, sustained by Contracting Party or others arising of Contractor's performance of this Agreement shall be limited to correcting defective work. In no event shall Contractor be liable to Contracting Party or any third party for more than the amount of Contractor's proposal, or for any delay damages.

Under no circumstances shall Contractor be liable for (i) damage to or breakage of underground pipes and/or conduits and cables not visible from the surface of the ground nor for any damage to approaches (including sidewalks) from the street to the property line; (ii) damage to the completed pavement surface due to the action of petroleum product spillage; (iii) subgrade failure or utility ditch failure; or (iv) growth of horsetail weed, morning glory, deep-rooted ferns or perennials subsequent to the application of soil sterilization (weed killer) that have not reached maturity prior to such application. Any soil sterilization provided for in this Agreement shall be applied at the rate specified by the manufacturer thereof.

17. DISPUTE RESOLUTION/ATTORNEYS' FEES. Contracting Party and Contractor agree that all claims, collections, disputes, or other controversies arising under this Agreement or related hereto, shall be settled by and subject to litigation, or at the sole choice of the contractor, binding arbitration with a

In any such litigation or arbitration, the prevailing party shall be entitled to its reasonable attorneys' tees and costs.

- 18. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington.
- 19. SEVERABILITY. In the event that any paragraph, part, term, or condition of this Agreement is construed or held to be void, invalid or unenforceable by an arbitrator or court of competent jurisdiction, the remaining paragraphs, parts, terms and conditions of this Agreement shall not be affected and shall remain in full force and effect.
