Private Lesson Policy

Private Lessons at Shore Aquatic Center will be done based on a 1-month commitment. In this 1-month time frame, you can miss up to 2 classes. If you need to miss more than 2 classes, it is strongly recommended that you sign up for a different time. You may miss more than 2 classes if you pay for classes missed beyond 2 (E.g., if you miss 5, you will have to pay for 3 classes you missed). Any missed classes should be communicated to cody@sacpa.org. This allows us to plan accordingly and prevents you from being charged.

Each private lesson will be held in half hour blocks. This half hour block will occur twice per week and will reoccur for 8 lessons (typically 4-weeks).

Last-minute cancellations must be done with at least 24 hours' notice. If less than 24 hours' notice is given, this will result in the lesson being charged regardless of attendance. Special considerations may be made at the discretion of the Aquatics manager. If an absence is not communicated in advance, the lesson will be charged regardless of attendance.

The lesson will permit 1-2 students from the same family to attend with an instructor. Attendees must live in the same household. Special considerations may be made if need is communicated with the Aquatics Manager upon registration.
