

# SHORE AQUATIC CENTER

## PRESCHOOL LEVEL RE-COMBINATION

Starting this upcoming session, preschool levels A, B, C, & D will be condensed into Preschool 1 (A & B) and Preschool 2 (C & D)! This will address the issues of smaller class sizes, lesson-scheduling time slots, and overly-complicated level segmentation.

Please direct any questions about this change, or inquiries about which Learn-To-Swim levels are available for preschoolers who have passed all PK lessons, to the Aquatics Manager, Cody Chase, at [cody@sacpa.org](mailto:cody@sacpa.org).

## LEARN TO SWIM 1 FREE IN DECEMBER

Starting in December, SHORE Aquatic Center will be offering one free level per month for group lessons. Learn to Swim 1 will be free for all new or returning LTS1 students in December!

Slots are subject to availability on a first-come, first-serve basis; students must pass the prior level or complete a level placement test in order to sign up for a specific level. As always, limit one session at a time.
