

## SPARK Squad Summer Camp 2023

Daily programming will include fun activities such as arts & crafts, team building, sports, indoor and outdoor games, free play, age group field trips, swimming, and more! Students are welcome to be dropped off and picked up at any time throughout the day starting at 7:30am, but please be aware of the schedule to be sure we will be present at the facility during those times.

In addition to camp activities, students will be served **FREE meals daily.**

**AM Snack, Lunch 12pm-1pm, PM Post-swim Snack**

We encourage you to NOT pack food from home for your student as we have certain regulations due to food allergies as well as healthy eating standards our program must meet. If your student needs special food accommodations due to allergies, cultural, or religious reasons please contact us to make special arrangements to bring their own food or have us provide alternative options at no extra cost. **Note: No Peanut Products. No Exceptions.**

Students may be registered to attend all days, recurring days each week, or select dates throughout the summer. Please be sure to indicate their attendance schedule on the registration form. **Summer camp cost is \$50/day or \$225/week per student.** Financial scholarships are available, and we encourage you to apply to cover up to 50% of cost. These are processed according to income and household size, so please attach verification documents to attached scholarship application. We do not take state subsidy.

**All registered weeks of camp must be paid 2 weeks prior to attendance.**

**Staff are limited to only allowing 60 students in the program each day. Your child must be pre-registered and paid for. There will be no drop offs or pay later.** If staff show a balance due for camp for two weeks a reminder email will be sent on Wednesday, that must be replied to by Friday (for example balance for week 3 of camp must be paid by Monday of week 1). If for any reason you need to change or cancel dates of attendance you must notify [virginia@sacpa.org](mailto:virginia@sacpa.org) with the requested changes two weeks in advance. Refunds will not be granted for those who are registered but do not attend.

Upon registration you will receive an email from EPACT network providing a link to create a profile and enter medical and emergency information for our records. Please be sure to complete all information for your student(s) prior to their first day of attendance. Failure to complete online medical and emergency forms will result in the inability for your child to attend camp.
